

Volunteer Programmes in St. Petersburg, Russia

Russia is one of the most multifaceted countries of the world. In many ways, she is still developing and there are many opportunities to volunteer in order to improve the lives of some of the less fortunate. On the other hand, the artistic impulses and grandiose tastes of her imperial family and her turbulent past have saturated the city with culture and history. Hence, opportunities to preserve and advance her cultural status are plentiful. A largely undiscovered treasure, Russia holds much in store for those wishing to spend their time volunteering meaningfully.

Volunteer programme includes:

- A minimum of 4 weeks Intensive Russian course (30 lessons per week)
- A minimum of 4 weeks Volunteer Programme

Total length of the programme: A minimum of 8 weeks

Both the length of study and the Volunteer Programme hold the possibility for extension (up to a maximum of 48 weeks total stay in Russia).

Charitable
